

SHAKTI SIP

POWER IN EVERY SIP

INGREDIENTS

MAKHANE(FOX NUT OR LOTUS SEED)

ALMONDS

WALNUTS

white sesame seeds

dry dates

black chickpea

how to make SHAKTI SIP?

1. Roast each ingredient seperately
2. Cool and Mix
3. Add ingredients into the mixer
4. Grind into powder

Finally, the mixture is ground into a fine, easy-to-use powder, ready for packing.

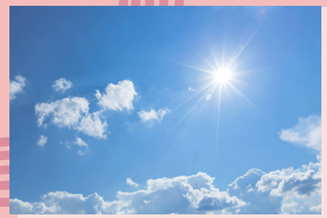

PRODUCT

BENIFITS OF DRINKING

1. Natural Energy Booster
2. Brain Health Support
3. Stronger Bones & Muscles
4. Heart-Healthy Fats
5. Good for Digestion
6. Skin & Hair Benefits
7. Hormonal & Immune Support

WHEN TO DRINK IT?

Morning – for energy and focus throughout the day

Evening (early) – as a healthy, filling snack

Before workouts – as a natural pre-workout drink

During recovery – helps with muscle and joint nourishment

✅ Final Thought:
Your blend, when mixed with milk, becomes a complete, whole-food-based supplement — no preservatives, no added sugar — just clean, natural nutrition.

CONCLUSION

THANK YOU
